NAPA FLEET™ DISC BRAKE PADS

KEEPING YOUR FLEET ON THE ROAD AND OUT OF THE SHOP...

NAPA Fleet™ disc brake pad formulations provide extra-long life, supreme thermal conductivity and performance in high heat situations.

- Extended Life
- Quiet Formulations
- Consistent Performance
- Severe Duty

NAPA PREMIUM™ DISC BRAKE PADS

MORE THAN JUST A FORMULATION...

It's the combination of the right formulation, OE matched engineering and sound dampening technologies that make NAPA Premium™ even better.

- Quiet Friction Formulations
- OE Matched Engineering
- Silent Guard™ Technology
- Smooth Pedal
- Longer Wear

NAPA QE BRAKE™ DISC BRAKE PADS

ENGINEERED FOR TODAY'S DRIVING...

QE Brake is engineered to compete with many competitive "premium" brands. Its coverage, performance and affordability, make QE Brake a great choice for your customers.

- Over 90% coverage
- Quality engineered friction material
- Competitive market pricing

NAPA PROFORMER™ DISC BRAKE PADS

DESIGNED FOR EVERYDAY BRAKING...

NAPA Proformer™ disc brake pads include all the features and benefits you expect from NAPA Brakes and are manufactured with value in mind.

- OE Style Shims, Slots and Chamfers
- Quality Tested Formulations
- Excellent Coverage — over 99.5% of applications

More Value in the Box

Hardware Where You Need It

Hardware is an integral part of a brake system that will provide optimal performance of the brake pad and maximize service life. We have included hardware kits, where required, to ensure you have everything you need to complete The Perfect Brake Job®.

Easily Identifiable Packaging

We have developed unique packaging to help identify the friction technology used and whether or not the package contains hardware. Boxes containing hardware incorporate a red “HDW” icon. No more guessing what’s in the box.
